

Official Privacy Policy & Data Protection Framework

Document Ref. No.: GSWS/PRIV-POL/2026/PRIV-08

1. Scope & Purpose of Data Collection

- Administrative & Academic Utility: Personal information collected during the application, screening, and enrollment processes (such as full name, email ID, contact details, educational institution, roll/enrollment numbers, and ABC IDs) is used strictly for internship administration, academic credit mapping, portal access, and the verification/issuance of official credentials.

2. Data Security & Restricted Access

- Secure Storage Protocol: All participant data is maintained in secure institutional databases protected by administrative authentication protocols.
- Controlled Access: Access to participant records is strictly restricted to authorized GSWS administrative personnel, the CEO/CPO offices, and designated Nodal Officers.

3. Non-Disclosure & Third-Party Sharing

- Zero Commercial Disclosure: Personal information is never sold, leased, or rented to third-party commercial entities under any circumstances.
- Limited Sharing Exemption: Participant data is shared exclusively with affiliated higher education institutions (HEIs), university evaluation boards for credit verification, or legal authorities when explicitly required by law or official administrative directives.

4. Participant Rights & Data Corrections

- Rectification Protocol: Enrolled participants hold the right to request corrections or updates to their academic/personal credentials stored in the GSWS portal.
- Formal Requests: All data modification or deletion inquiries must be formally submitted in writing to the official help desk at help.gswelfare@gmail.com.

5. Media, Media Outlets & Work Display Consent

- Public Portfolio & Showcasing: Photographs, video testimonials, research summaries, or creative works generated during the internship may be featured on official GSWS web portals, digital media channels, or annual reports solely where consent has been granted during enrollment or submission.
